## NOTICE OF RENEWAL OF TITLE V PERMITS

The South Coast Air Quality Management District (AQMD) is the air pollution control agency for all of Orange County and portions of Los Angeles, Riverside and San Bernardino Counties. This is to inform the public of the intention of the AQMD to renew the existing Title V permits previously issued to the facility listed below.

This is a landfill gas to energy facility located at the closed Toyon Canyon landfill. Permits consist of a landfill gas collection system, a condensate collection and treatment system, two internal combustion engine-generators, and a portable hot water pressure washer.

Pursuant to Title V of the federal Clean Air Act and AQMD Rule 3004(f), a Title V permit shall expire five years from the date of issuance, unless such permit has been renewed. Accordingly, the above facilities have submitted Title V renewal applications and requested that AQMD renew their Title V permits. The proposed permits incorporate updates to the facility information, as provided in the facility's Title V renewal application, as well as updates to all rules and regulations that are currently applicable to the facility. As required by Title V of the federal Clean Air Act, the Title V permits include all of the emission limits, applicable requirements and operating conditions imposed on the equipment. The facilities are required to certify compliance with the Title V permits in addition to recordkeeping and mandatory reporting of any deviation from the permit conditions.

The proposed permit is available for public review at AQMD, 21865 Copley Dr., Diamond Bar, CA 91765,

and at the **Glendale Public Library**, 222 E. Harvard Street, Glendale, CA 91205 and the **Pacific Park Branch Library** located at 501 S. Pacific Ave., Glendale, CA 91204. The proposed permit can also be viewed at [www.aqmd.gov/webappl/publicnotices/search.aspx](http://www.aqmd.gov/webappl/publicnotices/search.aspx) by entering the facility ID number. Information regarding the facility owner's compliance history submitted to the AQMD pursuant to California Health & Safety Code Section 42336, or otherwise known to the AQMD based on credible information, is also available from the AQMD for public review. **Anyone wishing to comment on the issuance of the proposed permit should submit their comments in writing by October 11, 2011. Written comments should be submitted to:**

Attention: Charles Tupac

If you are concerned primarily about zoning decisions and the process by which this facility has been sited at this location, you should contact your local city or county planning department. For additional information, please contact Mr. Charles Tupac at (909) 396-2684 or by email at [ctupac@aqmd.gov](mailto:ctupac@aqmd.gov).

The public may request the AQMD to conduct a public hearing on the proposed permit by submitting a Hearing Request Form (Form 500-G) to Charles Tupac at the above AQMD address. The public hearing request must contain all the information requested on the form in order for the AQMD to determine whether or not the request is valid or if a public hearing will be held. The public hearing request forms may be obtained from the AQMD by calling the Title V hotline at (909) 396-3013, or downloading from the internet at <http://www.aqmd.gov/titlev>. **Any request for public hearings must be submitted to the AQMD no later than September 27, 2011. A copy of the hearing request must also be sent by first class mail to the facility contact person listed above, at the same time.**

For your general information, anyone experiencing air quality problems such as dust, smoke or odors can telephone in a complaint to the AQMD by calling 1-800-CUT-SMOG (1-800-288-7664).
